

STOP 1: CLP Preparation

**Set Appointment for a Physical Examination
& Officially Enroll in General Knowledge/Theory Training**

You **MUST HAVE COMPLETED A FORMAL MEDICAL EXAMINATION** to take the required DMV exams to get your CLP & CDL! To locate an FMCSA approved certified medical provider visit: [The National Registry of Certified Medical Examiners](#)

STOP 2: Complete Physical Examination & General Knowledge/Theory Training

Your certified medical provider will provide you with the following documents:

1. Medical Evaluation Report (MER)
2. Medical Examiner's Certificate (MEC)

Upon completion and passing of General Knowledge and Theory Training, ASC will submit your final score to the [FMCSA's Training Provider Registry](#) (TPR).

STOP 3: Apply for Your CLP & Schedule BTW Training

Contact your local DMV to schedule required CLP tests and an [FMCSA Registered Training Provider](#) for Behind-the-Wheel Training.

When applying for your CLP, you will need to have the following:

1. Valid picture driver's license
2. Supplement Application Form
(Provided by State DMV)
3. Current, complete Physical Examination (MEC
(MEC & MER from the medical examiner)
4. Proof of liability insurance
on a personally owned vehicle(s)
5. Proof of social security number
6. Proof of Home State Residency
7. Application Fee

STOP 4: Take & Pass Required Permit Tests (Must have a permit to complete BTW Training.)

Three (3) required tests: General Knowledge Test (50 questions), Combination Vehicles Test (25 questions), and Air Brakes Test (25 questions).

*NOTE: Additional tests **may** be required. Check with your local DMV.*

STOP 5: FINAL STOP

Complete/Pass BTW Training & Schedule/Pass Final CDL Skills Tests

Upon completing and passing behind-the-wheel training you will need to take the following three(s) skills tests: Vehicle Inspection Test, Basic Vehicle Control Test, and On-the-Road Test.
